Benefits

- All described processes are managed for you, you only communicate to one person in our team which saves you a lot of time
- Expense optimized - the list of services has optimal pricing. As our team is complex and diversified, we can provide better pricing for complex packages
- We are focused on your success, best result is our goal

Note: Management Assistance Package is a prepaid service. The payment should be processed before the calendar month starts /or before agreed start date/. If happen we met on Upwork, payment processed weekly \$650 per week as a fixed-price contract milestone. Due to the team and service complexity we do not track time for this package.
